

From what I understand Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest.

I am a veteran, my son (who died in Iraq) was a veteran and with both embrace the notion of freedom of speech. Kerry served our country and then asserted his right to speak out against a politically motivated and illfated war in Vietnam...from an insiders perspective.

Unfortunately the one-sided programs, like "Stolen Honor", does not serve the public interest and can be harmful to our democracy. Please do not mandate your stations air "Stolen Honor," or if you do, at least make the effort to balance the issue and air a pro-Kerry program like "Going Upriver" shortly after, or Ferenheit 9-11.

Sincerely, Elaine Premo
